6. **My Bonnie**

My Bonnie lies over the ocean

My Bonnie lies over the sea

My Bonnie lies over the ocean

So, bring back my Bonnie to me, to me

**Chorus**

Bring back, bring back

Oh, bring back my Bonnie to me, to me x2

7. **The Donut Song**

Well, I ran around the corner

And I ran around the block,

And I ran right into the do-nut shop.

I picked up a doughnut

And I wiped off the grease,

And I handed the lady a five cent piece.

Well, she looked at the nickel

And she looked at me,

And she said "this coin is no good you see.

There's a hole in the middle,  
and it runs right through."

and I said, "There's a hole in my doughnut  
too!

Thanks for the do-nut, toodle-oo!"

8. **On Top of Spaghetti**

On top of spaghetti, all covered in cheese  
I lost my poor meat ball, when somebody sneezed  
It rolled of the table, and onto the floor  
And then my poor meatball, Rolled out of the door  
It rolled down the garden, and under the bush  
And then my poor meatball, was nothing but mush  
100 years later a meatball tree grew, all covered in meatballs and spaghetti too.  
If you eat spaghetti, all covered in cheese  
Hold onto your meatballs, in case somebody sneezed.

9. **Tails**

If everybody had a tail, and chose its shape and size, Would you prefer a tufted one to swat at passing flies, Or would you have a stumpy one to thump on wooden floors or perhaps a warm and fluffy one to curl around your paws?

**Chorus**

Tails, tails, tails, you can swing them to and fro,  
You can wrap them round your middle, you can trail them in the snow,  
You can wave them when you're angry, you can wag them when you're glad,  
You can chase them round and round and round and round, until you drive the neighbours mad.

And would you like it stripy, speckled, plain or maybe spotted?

And would you wear it curly, straight or elegantly knotted,

And if it were prehensile, what enormous fun to be,

The envy of your neighbours as you swing from tree to tree.

**Chorus**

If tails were made detachable how useful it would be, to wear your tail for parties or for going to the sea,  
Or if you're going out at night with safety first in mind,  
To wear a red fluorescent one to light you up behind.

**Chorus**

10. **Little Piece of Tin**

I'm a little piece of tin  
Nobody knows what shape I'm in  
I've got four wheels and a running board  
I'm not a chevvy, I'm not a Ford

Honk honk, (pull ear)  
rattle rattle rattle,(wobble head)  
crash crash (tap chin)  
beep beep (tap nose) x 3

11. **Can a woman?**

Can a woman fly an airplane?  
Yes, she can, yes she can!  
Can a woman build a building?  
Yes, she can, yes she can!  
Can a woman fight a fire?  
Can a woman change a tyre?  
Can a woman lead a choir?  
Yes she can, yes she can!

Can a woman be a lawyer?  
Yes, she can, yes she can!  
Can a woman fix an engine?  
Yes, she can, yes she can!  
Can a woman be a drummer?  
Can a woman be a plumber?  
Can she play ball in the summer?  
Yes, she can, yes she can!

Can a woman be a doctor?  
Yes, she can, yes she can!  
Can a woman drive a tractor?  
Yes, she can, yes she can!  
Can a woman lead a nation?  
Can she run TV station?  
Can she head a corporation?  
Yes, she can, yes she can!

Just you wait until we're older  
Then you'll see! Then you'll see!!  
We'll be women in tomorrow's  
History, History!

As we grow up through the years  
We'll sing out loud and clear  
Can we start the process here?  
Yes, we can, yes we can!

**12. Land of the Silver Birch**

Land of the silver birch, Home of the beaver  
Where still the mighty moose, wanders at will

Chorus:

Blue lake and rocky shore  
I will return once more  
Boom-didi-eye-di, Boom-didi-eye-di  
Boom-didi-eye-di, Boom

My heart is sick for you, here in the lowlands  
I will return to you, hills of the north  
Chorus

Swift as the silver fish, canoe of birch bark  
Thy mighty waterways, carry me forth  
Chorus

There where the blue lake lies, I'll set my  
wigwam  
Close to the water's edge, Silent and still  
Chorus

**13. Barges**

Out of my window, looking in the night,  
I can see the barges flickering light.  
Silently flows the river to the sea,  
and the barges too go silently.

**Chorus**

Barges I would like to go with you,  
I would like to sail the ocean blue.  
Barges have you treasures in your hold,  
Do you fight with pirates brave & bold.

Away from my window on into the night  
I watch till they are out of sight  
Taking their cargo far across the sea  
I wish that someday they'd take me

**Chorus**

How my heart longs to sail away with you  
As you sail across the ocean blue  
But I must stay beside my ocean clear  
As I watch you sail away from here

**Chorus**

Out of my window, looking in the night,  
I can see the barges flickering light:  
Starboard shines green and  
port is glowing red,  
you can see them flickering far ahead.

**Chorus**
