Eligibility and criteria

1. Any Inspire Member with Girlguiding North West England may apply for a bursary towards travel expenses in order to attend a North West England Region Training or Event that will be of benefit to the members. This includes travel to the mainland or the Isle of Man if representing the Region. In exceptional circumstances, consideration will be given to attendance at National events but these will be judged on a case by case basis.
2. You must provide proof that you have enrolled or registered with the appropriate training or events where applicable, or if you do not have the money to pay for this in advance, include a copy of your booking form so that the payment can be sent directly with your form for you. Please send a stamped addressed envelope if your form requires onward transmission.
3. Bursaries are available up to 2 weeks in advance and 6 weeks following an Event.
4. In the event that a bursary is paid and you do not attend an event, reimbursement will be sought.
5. The number of bursaries awarded to one person in any one year may be limited.
