

# Save the Date

*Guiding Going the Distance*

**Saturday 26 or Sunday 27 March  
(you choose which day)**

Do you remember our fantastic sports event Energise that we held back in 2018? Well in 2022 we are holding another all section sports event to celebrate our Motivate project which was funded by Sport England. Motivate has enabled us to train members as Sport Young Leaders across the region to deliver sports sessions to girls in their districts, divisions and counties.

At this event we're inviting thousands of Rainbows, Brownies, Guides and Rangers along with their leaders to join us for another ultimate sports event! Sports sessions will be facilitated by our Sport Young Leaders as well as our fantastic sports partners. Whether you have members who are into sport or not, they'll be sure to find a sport that they enjoy at our exciting event. The day is all about girls having fun and trying a number of sports over the course of the day. Everyone attending will receive a badge to commemorate the event and their participation.
