

How to sign into GO for the first time

Step 1: After you've filled in the form to volunteer with us, you'll get an email from us with an invitation code.

If you don't have this, select the Don't have a login? button on the [GO sign in page](#). Use the email address you signed up with or contact membershipsystems@girlguiding.org.uk if you need to update or add an email address. We'll then send you a new invitation code.
