

**Help all girls know
they can do
anything!**

**There are lots of ways to
volunteer for Girlguiding.**

**It doesn't matter what
your experience or
background is, or how
much time you have.**

**If you are passionate
about showing girls they
can do anything – we
want to hear from you!**

Girlguiding**

What is Girlguiding?

With guiding, young members have fun, adventure and the space to discover their potential.

Girlguiding North West England is open to those aged 4-18; we welcome all.

They could be going on their first ever sleepover, canoeing on rivers, learning about body confidence, or attending an exciting camp. Sometimes they simply have fun and try new things with friends.

Why volunteer?

Our members take what they do in guiding with them as they grow. Everything from working in a team, to taking the lead, to speaking out on issues they care about. It helps them develop the skills and confidence to become the young adults they want to be and to make a difference to the world around them. As a volunteer, you can work with young members in a range of roles - joining them on their journey. You will make your own memories whilst being part of theirs. And you never know, you might make friends for life too!

What roles can I do?

Whatever your skills and interests, whether it's volunteering with girls directly or supporting behind the scenes, there's a role to suit you.

Volunteer at unit meetings

Units meet once a week during term time. Each unit has a leader as well as unit helpers, who all contribute to the running of the unit meetings.

Use your skills

You may not be able to commit to working within a unit every week but that doesn't mean there isn't a role for you!

All of our units need help with administration, finances, social media and much more besides!

You may even have a specialist skill or knowledge that you can share with units in your local area - you may be a historian, footballer, have circus skills...the possibilities are endless.

Either way - we would love to hear from you.

What happens next?

If you decide to register your interest, someone from your local volunteer team will be in touch. They'll be your main contact at the start and are there to support you and help you find the best role for you. They'll provide you with key contacts, information and resources.

If you plan to volunteer with young members, ask your local contact about going on taster visits to unit meetings. It's a great way to get an idea of how meetings are run, talk to other volunteers and pick up activity tips and ideas.

All volunteers are subject to DBS and reference checks.
