

Volunteers' Week 2026
Home Activity Pack

**NOT ALL HEROES
WEAR CAPES...
SOME
WEAR
NECKERS!**

A fun way for young members to say thank you to their superhero Girlguiding volunteers. You can complete these simple activities at home!

Make a thank you card

Create a special thank you card to celebrate your amazing leader. On the front of your card, draw your leader as a superhero – or you could print and use the template in this pack. You can colour them in and add fun details like badges or stars.

Write your special thank you message inside. Use these sentence starters if you like:

- My leader is amazing because...
- Thank you for helping me to...
- My favourite thing we do together is...

Make bunting with your unit friends

Print out the section flag template in this pack or create your own. Each member fills in one flag with the reasons you love your unit volunteers. String them together into bunting to present to your leader or hang in your unit.

We'd love to see you with your creations – tag us on social media or send a photo by email to abbie.ward@girlguidingnwe.org.uk
